

# YOUR LOCAL BUILDER

Mike Smith and Craig Smith are the owners of Agile Homes. Childhood friends that grew up in New Plymouth, a nearby small town in Idaho. Together they built a local homebuilding business where you can design a home that is brand new and uniquely yours.

Being a local builder is one of the many reasons we've been able to change the lives of so many homeowners. Our knowledge, familiarity, and a deep-rooted love of the area not only makes our process efficient, but it also brings a special kind of warmth to every home. And we're happy to say we're not going anywhere.

Shopping local is a way to support the local economy and build strong communities. Check out some of our favorite local businesses!
