About The Model

The Ashton feels like home the moment you walk in. It's spacious open-concept layout and inviting kitchen, is designed for gathering with family and friends while still feeling warm and comfortable. The kitchen features granite countertops, knotty alder cabinets, and a full tile backsplash that add both character and style. You'll love the 3-car garage, covered front porch, and covered rear patio. The south-facing backyard brings in great natural light with plenty of space to enjoy. The sales price does not includ...
