About The Model

This thoughtfully designed split-bedroom floor plan features a spacious great room, gorgeous quartz kitchen countertops, knotty alder cabinets, and a full tile backsplash. A charming window seat in the front bedroom adds the perfect cozy touch. Enjoy a fully landscaped yard with front and rear sod, automatic underground sprinklers, a sunny south-facing backyard, pressurized irrigation, and natural gas. Complete with a double-door two-car garage, this home offers the perfect blend of comfort, quality, and convenience. The sales price d... See site for more info.
