About The Model

This beautiful new home is designed with the things you want most for comfortable everyday living. Step inside to a welcoming great room where the kitchen, dining, and living spaces come together perfectly for family time, entertaining, or simply relaxing at the end of the day. The kitchen features gorgeous quartz countertops, a large island, and an oversized walk-in pantry. Outside, the front and rear yards are finished with sod and full automatic sprinklers, and the yard is fully fenced. The sales price does not include... See site for more info.
