About The Model

This isn't just a house, it's a place designed for real living. Dedicated RV parking, and a 936 sq ft shop gives you all the room you need for vehicles, toys, projects, or whatever your lifestyle demands. A fully sodded front and backyard, with underground automatic sprinklers and pressurized irrigation, makes maintenance simple. The kitchen is the heart of it all, featuring quartz countertops, a full tile backsplash, and an island that flows seamlessly into the great room. The sales price does no... See site for more info.
