### About The Model

The spacious primary suite features his and her walk-in closets, dual vanity sinks, and a well-designed layout for comfort and convenience. The kitchen offers granite countertops, knotty alder cabinets, and a full tile backsplash. Exterior highlights include full sod, automatic sprinklers with pressurized irrigation, full gutters, and a north-facing backyard for comfortable outdoor living. Conveniently located close to schools and stores, this home combines functionality, quality finishes, and a prime location. The sales price d... See site for more info.
