About The Model

The Shoshone in Sundance Pointe offers a single-level layout with a 4th bedroom adaptable as an office/craft room. It features a modern elevation and includes front sod, rear seed, and full auto sprinklers with pressurized irrigation for water savings. Highlights include a huge pantry, quartz countertops, shaker knotty alder cabinets, a large kitchen island, a gas range, and vinyl plank flooring in the hallway, utility room, bathrooms, kitchen, and dining area. **Photos are similar.**
