About The Model

Fantastic farmhouse-style home with a comfortable, open floor plan and desirable split bedroom design. The spacious great room flows into a beautifully appointed kitchen featuring quartz countertops, full tile backsplash, knotty alder cabinets, and a large walk-in pantry. Enjoy natural gas service and thoughtful finishes throughout. The north-facing backyard offers a great space to relax with full front and rear sod, automatic sprinklers, and pressurized irrigation. Complete with a 3-car garage and conveniently located close to schools, this... See site for more info.
