About The Model

This highly sought-after floor plan offers a refined split-bedroom design and an expansive great room ideal for entertaining. The gourmet kitchen features quartz countertops, a full tile backsplash, and natural gas service. Enjoy the ease of pressurized irrigation with fully automated sprinklers, complemented by professionally installed front and rear sod. The south-facing backyard provides abundant natural light, while the prime location close to schools adds everyday convenience to this exceptional home. The sales price does not inc...
