### About The Model

Designed for those who appreciate space, comfort, and refined living, this beautifully crafted home offers an open great room that creates a warm, inviting place to gather. With five bedrooms, three full baths, and a flexible bonus space, there's room to live exactly how you want. The kitchen is both functional and elevated, featuring quartz countertops, a spacious island, and a walk-in pantry. The primary suite offers a true retreat with a tile walk-in shower, full tile surround, a relaxing soaker tub, and elegant quartz finishes... See site for more info.
